

Confidential Letter of Intent

To support Seacology's work on island conservation around the world, I wish to make a lasting gift that will have long-term benefits. I have therefore made provision to support Seacology through a:

- Gift in a will or trust
- Retirement plan beneficiary designation
- Charitable trust
- Life insurance policy
- Other: _____

This Letter of Intent indicates my desire to support Seacology; it is not a binding legal document. I understand that I am free to change my estate plan at any time.
